This is a damage assessment only - not an authorization to repair - based on damage visible or certain at the time it was written.

If frame or unibody repair is included on this estimate, the amount shown includes time or allowance for measuring before, during and after those repairs.

The owner of the vehicle may select the repair facility of his/her choice.

To ensure proper and prompt payment for additional damage discovered during the course of repairs, contact Metromile for supplement handling procedures.

Metromile honors the prevailing labor market rate in your area for your property. If you choose a shop that charges in excess of prevailing labor market rates, you will be responsible for the difference.

The replacement parts written on the estimate are intended to return your vehicle to its pre-loss condition with proper installation.

After repair, if any sheet metal or plastic body part included in the estimate fails to return your vehicle to its pre-loss condition (assuming proper installation), in terms of form, fit, finish, durability or functionality, Metromile will arrange and pay for the replacement of the part, to the extent not covered by a manufacturer's or others warranty. This service will be performed at no cost to you (including associated repair and rental car costs). To obtain service under this guarantee, call Metromile at 888-215-9176. This guarantee applies as long as you own or lease the vehicle. The guarantee is not transferable and terminates if you sell or otherwise transfer your vehicle.
